

HARRY BRIGHTON

Personal Summary:

- A Master's graduate in Politics, Governance and Policy with a deep understanding of key issues affecting the North. Experienced in regional economic growth through experience at a Combined Authority.
- Committed to ensuring a more inclusive and prosperous society through championing more reliable and better-connected public transport.
- Key interests include policy and procurement, as well as ensuring social justice.

Core Skills:

- **Stakeholder engagement** – Through building relationships with diverse groups as part of work at Students' Union and experience at a Combined Authority.
- **Policy analysis** – Understanding UK and regional policy and campaign landscape through experience at a Combined Authority and successfully completing an MA in Politics, Governance and Policy.
- **Public speaking and communication** – Delivering high-impact presentations on sensitive topics to a range of audiences.
- **Project co-ordination** – Delivering projects consistently on time and to an excellent standard.

Experience and Work:

Experience:

- **Combined Authority:**
 - Delivered key work on in-depth analysis of public transport as a driver for regional economic growth for the county.
 - Experience in appraising business cases using the Combined Authority's Assurance Framework, evidencing a strong attention to detail and excellent interpretive skills.
 - Excellent use and presentation of data and research to support CA objectives and demonstrating an evidence-led approach.
 - Experience of using internal local authority databases to conduct high level research.

Work:

- Tesco (Customer Assistant): November 2021 - November 2022.
- Students' Union (Diversity Champion): June 2023 - June 2024.
 - Delivering presentations on race (in)equality and consent to raise awareness and encourage empathy towards these issues, engaging with key departmental stakeholders to secure support for continued work.
 - Worked collaboratively with a number of fellow university students to deliver these presentations in a confident, succinct and engaging manner.
- **Marks & Spencer** (Customer Assistant): July 2023 onwards.
 - Undertaken training for additional key operational aspects of my store, providing dedicated support to new starters.
 - Working as part of a large, diverse team to deliver on key business objectives and maintaining high levels of customer service and store performance.
